

From the Inside Out

From the Inside Out: Radical Gender Transformation, FTM and Beyond

Author: Morty Diamond

Publisher: Manic D Press

ISBN: 0916397963

Publishing Date: 2004

Pages: 168

Format: Trade paperback

Born female yet little identified with that gender, these writers illuminate the experiences of those who identify as FTM (female to male), and those whose gender is more fluid (such as genderqueers and thirdgenders). Given the opportunity to explore any aspect of gender identity change, from dating to family issues, these authors have written stories offering heartfelt insight into the dynamics of identity politics and the definition of self. An eloquent tribute to diversity, *From the Inside Out* features 30 stories written by transgendered authors and provides an amazing introduction for those who want to understand more about transgender and gender-variant people. In addition, these moving narratives are invaluable tools for learning more about queer theory, gender politics, cultural studies, and transgender history. Although all born female, these writers prove that biology doesn't control destiny.
