

Survey to lobby Medical Aids and the National Health Plan. Please participate!

Gender DynamiX has embarked on a survey to make estimates on the cost of Transgender Health Care. The purpose of this survey is to have information to lobby Medical Aids to cover Transgender related health care. The report will also be used to position Transgender Health Care in the upcoming change in the South Africa health system.

We understand that you might not have kept all your bills or that you might not want to go dig them up so estimates would be acceptable. Thank you for your participation. Be sure to forward to other transgender people not matter where they might be in their transitions.
