Woman or man? This internationally acclaimed novel looks at the world through the eyes of Jess Goldberg, a masculine girl growing up in the "Ozzie-and-Harriet" McCarthyite era and coming out as a young butch lesbian into the pre-Stonewall gay drag bars of a blue-collar town. *Stone Butch Blues* traces a propulsive journey, powerfully evoking history and politics while portraying an extraordinary protagonist full of longing, vulnerability, and working-class grit. This once-underground classic takes the reader on a roller-coaster ride of gender transformation and exploration and, ultimately speaks to the heart of anyone who has ever suffered or gloried in being different.
