

The Transgender Debate

The Transgender Debate

Author: Stephen Whittle

Publisher: Garnet Pub Ltd

ISBN: 1902932161

Publishing Date: May1, 2001

Pages: 64

Format: Paperback

Transgender has become a cultural obsession. From the high camp of Rue Paul to the working class transsexual icon, Hayley of Coronation Street, it pervades our lives. Yet for many it remains a freakish interest on the sidelines. For transsexual and transgender people, though, it is a reality bound up in complexities, legal contradictions, family discord, and a desperate need to explain what it means to be a man or a woman, or neither, or both.

Addressing the historical, social, legal and medical issues surrounding this new community, this book throws a light onto the complex issues, clarifying them in a way that all those who think they know what they mean, will be called to question the certainties that gender roles are no longer about.
