

Privacy Policy

Gender DynamiX respects your privacy.

Some anonymous information about you is automatically collected by Gender DynamiX. This information may include: your browser type, access times, referring web site addresses, and viewed pages. It is used by Gender DynamiX to improve our service, and to generate general aggregate statistics about the use of the Gender DynamiX website.

Like many web sites, we set and use cookies to enhance your user experience, such as retaining your personal settings. By normal browsing our website, no personal information is contained in this cookie, it is simply used to store certain customisations you might choose during your visit.

However, should you have a user name and password to restricted areas of this website and choose to opt-in for the "remember me" option, a permanent cookie will be stored on your computer in order to give you automatic access the next time. You should not use this option on shared computers, i. e. at internet cafe's or at work.

No other information is collected by Gender DynamiX without your knowledge.

By using our interactive tools which require certain personal information, (e. g. contact-forms, newsletter subscriptions, e-cards, user registration), your details will be stored in our database and only used for the intended purpose.

We will not pass on any individual user details we may have obtained, automatically or with your knowledge, unless we have your prior consent. We only share anonymous aggregate statistics about our users and traffic patterns. We are not responsible for any breach of security or for the actions of third parties.
