

Cape Town Pride - Feb 2006

Gender DynamiX was part of the planning committee of Cape Town Pride 2006, mainly with the goal to highlight transgender issues during the course of the 10 day program. Most of the transgender focus during Pride was created with the book fair, hosted by Gender DynamiX, which included a transexual poet, reading her poetry. There was also another transgender woman's bio for sale. More info about Cape Town Pride can be found at:
